ELKS COUNTRY ESTATES

September 21, 2011

City of Rapid City, Engineering Services
Attn: Ted Johnson, P.E.
300 6th Street
Rapid City, South Dakota 57701

Subj: **Elks Country Estates, Sidewalk Request**
Padre Drive, LaCosta Drive & Angel Way
Rapid City, South Dakota

Mr. Johnson;

In 2009, Tripple Z Real Estate Development, L.L.L.P., platted single-family residential lots in Rapid City, as part of two (2) platting actions. A copy of each plat is attached to this letter for reference. Tripple Z Real Estate Development, L.L.L.P. entered into an agreement with the City of Rapid City, and posted surety for the installation of the sidewalks.

Subsequent to our 2009 platting, the city amended their sidewalk policy (16.16.090) to allow for installation of public sidewalks as part of the building permit for the home, with construction of the sidewalks completed prior to issuance of a Certificate of Occupancy for the residence.

We request that the City Council terminate the existing agreement, and shift the responsibility for installation of the remaining sidewalks to the homebuilders, as is currently done with new subdivisions.

If you have any questions or require additional information please do not hesitate to contact me at (605) 348-9300.

Sincerely;

Steve Zandstra
Tripple Z Real Estate Development, L.L.L.P.
