City of Rapid City Property Lease Holders

RE: Water Billing

Dear Lease Holders:

In 2009, the Rapid City Common Council approved an ordinance that requires billing for water used on all City leased properties. Your organization has been identified as one that fits into this category. Please note that the current terms of your lease **DO NOT** require billing for water. However, once your current lease expires and a new lease is renegotiated the City will be required to begin billing for water.

This measure has been instituted to encourage more active water conservation and to assist with the significant costs the City incurs for providing and treating water. This notice is intended to assist you in planning for these costs once your lease expires. Thank you and should you have any question please contact me at (605) 394-4154.

Sincerely,

Dale Tech, P.E./L.S.
Acting Public Works Director
