RE: Resolution amending Solid Waste Unit Collection Rates

The Solid Waste Committee met on August 22, 2012 to review the proposed reduction to Solid Waste Unit Collection Charges as directed by the City Council at the August 6, 2012 City Council meeting. The Solid Waste Committee was in unanimous agreement to approve and support the staff's recommendation to reduce the collection charges by 8%. The Solid Waste Committee's decision was based on the information and data contained in the attached memo dated August 15, 2012 from me. I have also attached the revised ordinance that will make the fee reduction effective on October 1, 2012.
