Dale & Sharlene:

On behalf of the applicant, we would like to request that the above item (appeal for an exception to allow an existing approach on 5th Street to be utilized for northbound only ingress and egress) be continued to the August 20, 2012 City Council meeting.

Mr. Bentley has previous business travel commitments that present a conflict for the meeting on the 6th , and we also have another party that would like to address the council and they are not in town next week as well.

Thank you for your assistance.
