Re: Broadmoor Estates

Dear Marcia:

This letter is in reference to our discussions concerning the access to the four Park Forest density lots in Broadmoor Estates.

The Rapid City Common Council continued this item until their June 5th meeting. The Broadmoor homeowners continue to insist that we have no access along the existing Broadmoor Drive, even though we believe otherwise.

This letter is to request the Rapid City Common Council on June 5<sup>th</sup> return this item to the June 8<sup>th</sup> Rapid City Planning Commission for reconsideration.

Thank you for your assistance on this matter.

Sincerely,

Patrick H. Wyss, FASLA  
President
