North:	No Use (City)
South:	Low Density Residential (County)
East:	(County)
West:	No Use (City)
PUBLIC UTILITIES	City sewer and water
REPORT BY	Vicki L. Fisher

RECOMMENDATION: Staff recommends that the Rezoning from No Use to Medium Density Residential be continued to the August 10, 2000 Planning Commission meeting to allow the applicant additional time to submit a revised legal description.

GENERAL COMMENTS: The applicant is seeking to rezone a 10.08 acre parcel from No Use to Medium Density Residential District. The applicant has also submitted an application requesting approval of a Planned Development Designation on the subject property. The property is located within the South Robbinsdale Neighborhood Area Future Land Use Plan area and is identified as a Planned Residential Development with a maximum of one dwelling unit per acre. The applicant is seeking to change the future land use designation from

**RZN #00RZ027 - Rezoning from No Use to Medium
Density Residential**

ITEM 14

Planned Residential Development to Medium Density Residential District with a Planned Development Designation (see companion items).

STAFF REVIEW: On July 10, 2000 the City Council denied a request to rezone the subject property from No Use to General Commercial. In addition, a Planned Development Designation request and a request to amend the South Robbinsdale Neighborhood Area Future Land Use Plan from Planned Residential Development with a maximum of one dwelling unit per acre to General Commercial with a Planned Development Designation were also denied.

The applicant currently owns an approximate eight acre parcel located adjacent to U. S. Highway 16 and a 20 acre parcel located adjacent to Catron Boulevard. The properties are contiguous forming an "L" shape that extends east and south of U. S. Highway 16 to Catron Boulevard. The 20 acre parcel includes the 10.8 acres identified in this request. On July 14, 2000, the applicant submitted a request to rezone the eight acre parcel from No Use to General Commercial with a Planned Development Designation. The two proposed rezoning requests would leave an approximate ten acre balance located between the properties with a "No Use" zoning designation. The applicant has indicated that it is his intent to revise the legal description of this rezoning request to include the remaining balance.

Staff recommends that the Rezoning from No Use to Medium Density Residential be continued to the August 10, 2000 Planning Commission meeting to allow the applicant additional time to submit a revised legal description.
