City of Rapid City - Landfill  
Dept. 7102  
300 6t' St.  
Rapid City, SD 57701-2724

Attn: Jerry Wright, Solid Waste Operations Superintendent

This letter is in reference to the total machine rebuild on you 816. We quoted the 816 rebuild at \$95,950.00. The invoice came to a total of \$94,750.00. Upon disassembly of the center hitch to be machined, we inspected the center hitch and found it to be in factory specs. This resulted in the invoice being \$1,200.00 less than the original quote.

If you have any questions, please feel free to give me a call at (605) 399-4016.

Sincerely,

Marty Delp  
Service Manager
