Section 3. Community Activities

Your community has been verified as receiving CRS credit for the following activities. If your community is still implementing these activities the CRS Coordinator needs to put his or her initials in the blank and attach the appropriate items. The numbers refer to the activity number which is found in the CRS Coordinator's Manual.

- 310 We are maintaining Elevation Certificates on all new and substantially improved buildings in our Special Flood Hazard Area.
- 310 We are maintaining Elevation Certificate data in computer format. Attached is a disk with the elevation certificate data obtained since our last submittal. [Initial here if there have not been any new buildings or substantial improvements in the floodplain since the last submittal. Do not attach a disk.]
- 320 We are providing Flood Insurance Rate Map information and information on the flood insurance purchase requirement to inquirers.
- 320 Attached is a copy of the document that told lenders, insurance agents, and real estate offices about this service this year. [Initial here if the information is included in your annual outreach project to the community. Mark the attachment to Activity 330 to show where this service is publicized.]
- 320 Attached is a copy of one page of the log, a letter, or other record that we kept on this service this year.
- 410 We continue to use our additional regulatory flood data before a new development can proceed in our floodplain.
- 420 We continue to preserve our open space in the floodplain.
- 430 We continue to enforce the floodplain management provisions of our zoning, subdivision and building code ordinances. [Initial here if you have amended your floodplain regulations. Attach a copy of the amendment.]
- 430 We continue to keep track of building improvements and repairs. Before a new permit is issued, we check the permit record and count the projects' dollar value cumulatively to determine if a nonconforming building should be brought up to our standards for new construction.
- 440 We continue to use and update our overlay map.
- 440 We continue to maintain our elevation reference marks.
