### MEMORANDUM

**00GI003**

TO: Legal and Finance Committee

FROM: Patsy Horton, GIS Coordinator

DATE: December 5, 2000

RE: Smart Data Strategies, Inc. Parcel Conversion Contract  
No-cost, time extension to June 30, 2001

The above-referenced contract between the City of Rapid City and Smart Data Strategies, Inc. provides for the conversion of approximately 41,000 tax parcels from the Pennington County Sidwell parcel mapping layer to spatially referenced ArcINFO coverages. This contract will expire on December 31, 2000. I have attached a copy of the December 2000 status report for your information. Discussions with Smart Data Strategies indicate that the delays are the result of information not being forwarded to them by Surdex, Inc. in accordance with the established timeframes. As such, they have not been able to comply with the terms of the contract.

**Staff recommends approval of a contract amendment for a no-cost, time extension to June 30, 2001.**
