

RESOLUTION OF NECESSITY
FOR
WILDWOOD WATER TRANSMISSION AND SEWER MAIN EXTENSION
PROJECT NO. SSW00-943

BE IT RESOLVED by the City of Rapid City, South Dakota, as follows:

The City Council hereby declares the necessity of constructing approximately 2,900 feet of 8" PVC sanitary sewer main, 800 feet of 4" PVC sewer service, and miscellaneous appurtenances in the vicinity of North Wildwood Drive and Una Del Drive.. The above-referenced project shall be hereafter referred to as **Wildwood Water Transmission and Sewer Main Extension, Project No. SSW00-943**, which shall be deemed a description of the above referenced improvements.

The general nature of the project is set forth above. Detailed plans and specifications will be prepared by FMG Engineering and will be placed on file with the City Finance Officer.

The estimated total cost of the project is \$1,000,000. The assessed sanitary sewer component is estimated to be \$125,000 and will be assessed to the benefiting properties equally on the basis of benefit. The estimated assessed costs include consultant services for design, 6% engineering fees, and 5% fiscal fees. Interim construction fees are to be determined by the Finance Officer and shall be included in the final assessment.

The method of assessment is on an equal benefit basis.

The recorded ownership and estimated cost for each property is listed on the attached ownership list.
