Dear Sir/Madam,

Destination ImagiNation is a non-profit organization to promote creative problem solving. Recently 4 teams from the Rapid City Public Schools, Wilson, Pinedale, and Central, won at the state level and are now going to compete at the World Finals in Knoxville, TN on May 23rd through May 27th. We are trying to raise money to offset the cost of the trip. We would like to hold a raffle to raise money. The raffle will have a bike, small TV and a power tool. Tickets will cost \$1.00 each. It is our understanding we need consent from the city to do this. We are requesting consent as soon as possible as we have less than a month to raise this money. I am enclosing some literature which explains about the teams from Rapid City.

Please let me know if you need anything else. I can be reached at 393-2500 or 348-4166.

Sincerely,

Linda J. Noble
Destination ImagiNation Coordinator
