REPORT BY	Vicki L. Fisher

RECOMMENDATION: Staff recommends that the Planned Development Designation be continued to the August **23**, 2001 Planning Commission meeting.

GENERAL COMMENTS: **This item was continued at the July 26, 2001 Planning Commission meeting to be heard in conjunction with an associated Comprehensive Plan Amendment. This Staff Report has been revised as of July 28, 2001. All revised or added text is shown in bold print.** This Planned Development Designation is a companion item to a rezoning request to change the zoning on the subject property from General Agriculture District to General Commercial District. In addition, the applicant has submitted a Comprehensive Plan Amendment to change the future land use designation on approximately 42.5 acres, including a portion of the subject property. (See companion items #01PD042 and #01CA020.)

The property is located north of Catron Boulevard lying adjacent to the future location of Fifth Street and Parkview Drive. The property is currently void of any structural development.

STAFF REVIEW: The Future Land Use Committee is reviewing the proposed Comprehensive Plan Amendment including revisions submitted on July 19, 2001. **On July 27, 2001, the Future Land Use Committee toured the property. The Committee has indicated that they will be meeting again to further discuss the request. In addition, the Future Land Use Committee is reviewing a Comprehensive Plan Amendment on approximately 380 acres located east and southeast of the subject property. The close proximity of the two properties and the potential impact the use(s) may have on the road networking within the area, require the consideration of both proposals in conjunction with each other. To date, the Future Land Use Committee is also continuing to review the Comprehensive Plan Amendment on the adjacent property.** As such, staff is recommending that the Planned Development Designation and the associated Rezoning Request be continued to the August **23**, 2001 Planning Commission meeting to be heard in conjunction with the Comprehensive Plan Amendment.
