*To Whom it may Concern:*

*The Belle Fourche Sportsman's Group is presently holding a pair of raffles to raise funds for the group. The first raffle is for a Custom Thumbhole Stocked Stainless Steel Winchester model 70 Rifle in Remington 7 m.m. Magnum, and the second raffle is for a Browning Citori Shotgun, in the winners choice of either 12 or 20 gauge. Our tickets are selling for a donation of five dollars per ticket and the drawing will be held in Belle Fourche on or before August 31, 2002.*

*This letter is a request to the Rapid City, City Council to grant our group permission to sell our raffle tickets within the Municipality of Rapid City, S.D. by voting to take no action against the Belle Fourche Sportsman's Group. We have previously been granted permission to sell raffle tickets on a Ruger model 77 Rifle in .22 Hornet caliber, which was won by a gentleman from Rapid City and on a Benelli Nova Shotgun that was won by a lady from Gillette Wyo.*

*Thank you for your consideration.*
