To whom it may concern;

I have applied for rezoning from residential commercial to general commercial, and for a use on reviews for the property at 420 East Saint Patrick Street Suite 106. The property is approximately 1250 square feet.

It will be used as a casino with an on sale beer license. We will occasionally serve snacks but will offer no regular food service. We will have 10 Video lottery machines. The hours of operation will be from 9:00 A.M until 10:00 P.M. We have purchased a beer license that was issued to Robins Bar and Grill on highway 16. It will be low volume beer sales.

The establishment will have an on site Security system monitored by Knights Security. The name will be the Hot Spot Casino and will be managed by my wife Linda and I.

Thank you for your time and consideration.
