

# Public Works Department

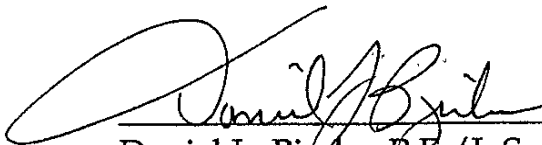

## Vehicles in Violation of Local, State and Federal Laws

### Policy Statement:

It is the policy of the Public Works Department that the driver of any city owned/leased, or city operated vehicle be in compliance with all Local, State and Federal Laws.

Any violation of such laws, such as speeding, vehicles being overweight, over height, etc., are the responsibility of the driver of the vehicle. The driver of said vehicle will be held responsible for all tickets, violations, penalties, or other financial charges related to said violation.

If a supervisor knows that a vehicle is in violation of Local, State, or Federal Law, and still directs the driver to proceed the supervisor will be subject to disciplinary action, including termination. The driver will be responsible, as the operator, for any written violations that may be placed upon the driver's record.

Daniel L. Bjerke, P.E./L.S.  
Public Works Director
