RE:

I would recommend award go to Jenner Equipment for (2) 863G Skid Steer Loaders for \$44,570 less \$18,084 on trade-in's for a total amount of \$ 26,486. They were low bid with no exceptions.

Also, I would recommend award go to Jack's Heavy Equipment for One (1) New Current Model Year Load Trailer, as they were low bid \$2,403.34 with no exceptions.

Results are as follows:
