Reservoir Road. Other than a wooden entrance along Reservoir Road, the property is void of structural development.

STAFF REVIEW: The property is located in Pennington County, outside of the City limits of Rapid City and is currently zoned Limited Agriculture District by the County. The Limited Agriculture District requires a minimum lot size of 10 acres. On June 19, 2001, the County Board of Commissioners denied without prejudice a request to rezone the subject property from Limited Agriculture District to General Commercial District. **Subsequently, the applicant submitted a Planned Unit Development request to Pennington County to allow a convenience store to be located on the property. On October 16, 2001, the Planned Unit Development request was denied without prejudice by the County Board of Commissioners. The applicant has indicated that a revised Planned Unit Development request will be submitted to the County for their review. As such, the applicant is requesting that the Preliminary and Final Plat be continued to the January 10, 2002 Planning Commission meeting. In addition, the applicant is requesting that the Variance to the Subdivision Regulations be continued to January 10, 2002 Planning Commission meeting to be heard in conjunction with the associated plat.**
