RAPID CITY POLICE DEPARTMENT  
MEMORANDUM

June 21, 2001

MEMO TO: Chief of Police Craig Tieszen

FROM: Compliance Officer Glen Yellow Robe

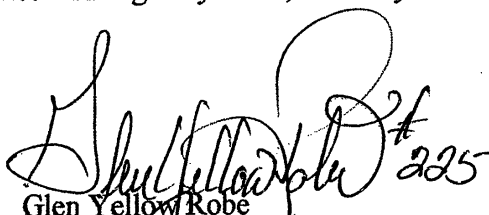

SUBJECT: Use On Review: Retail (on-sale) Liquor (01UR034), dba Buck-N-Gator, 4095 Sturgis Rd. Rapid City, SD 57702. Licensee/applicant Harland Danielsen.

On June 22, 2001 I made contact with Mr. Harland Danielsen. Mr. Danielsen explained that for the last seven years he's been having these outdoor concerts and serving alcohol outside during the Sturgis Rally. He stated he's never had any problems that required police intervention. Mr. Danielsen stated he has always worked with Lt. Dave Walton on these matters and had always kept Lt. Walton informed. He stated this is the first year in seven years he's been asked to go through the Use On Review.

Mr. Danielsen states every precaution will be taken to prevent underage consuming. Mr. Danielsen always hires security to help. At this time Mr. Danielsen has one tentative concert planned for August 6, 2001. Mr. Danielsen states the concert will not run no later then 11 P.M.

Criminal records were checked on Mr. Danielsen and records indicate no negatives on file. Bar file records show no past problems. Bar files show the bar is usually checked in a alcohol compliance check during rally week, and they have always passed the compliance check.

Use On Review is recommended.
