Re: Year 2001-2002 CLG Grant

Dear Ms. Hoskinson:

On behalf of the Rapid City Historic Preservation Commission and as per the Rapid City City Council's direction on May 20, 2002, I am requesting that the State grant an extension to the amount of time the City has to expend the Year 2001-2002 CLG grant funds. We are requesting that the amount of time to expend grant monies be extended from May 31, 2002 to July 1, 2002. This extension is to allow us to finish the Photo Archive project. The Historic Preservation Commission has experienced delays in completing the Photo Archive project due to the ill health on the part of the Commissioner in charge of the project. Another Commissioner has volunteered to complete the project, but additional time is needed. We understand that this is a no cost extension to the Award of Allocation for Historical Preservation.

I look forward to your written response regarding this time-extension request.

Sincerely,

Jerry Munson, Mayor

James Preston, Finance Officer

Cc: Trish Anderson
