**No. 02PD019 - Revocation of a portion of an area designated as a
Planned Development Designation** **ITEM 31**

use designation on the subject property from Office Commercial with a Planned Commercial Development to General Commercial. In addition, the applicant has submitted a rezoning request to change the zoning from Office Commercial District to General Commercial District on the subject property. (See companion items #02RZ037 and #02CA41.) The property is located approximately 350 feet east of U.S. Highway 16 and 1,320 feet north of Catron Boulevard and is currently void of any structural development.

The property is a part of a proposed 86 acre development to be known as "Tower Ridge". On June 3, 2002, the City Council approved several Rezoning requests, Planned Development Designation requests and Comprehensive Plan Amendments for the 86 acre development. On July 15, 2002, the City Council approved a Preliminary Plat for Phase One of the development. However, the lot lines as shown on the plat document do not coordinate with the previously approved Rezoning, Planned Development and Comprehensive Plan Amendment boundaries. As such, the applicant has submitted several Comprehensive Plan Amendments, Rezoning requests and Planned Development Designation requests for Phase One in order to align the above referenced boundaries with the proposed lot line(s) as shown on the plat document.

STAFF REVIEW:

The subject property is part of proposed Lot 3 of the Tower Ridge Development. The eastern one-third of the property is currently zoned Office Commercial District with a Planned Development Designation. The balance of the lot is zoned General Commercial District. The applicant is proposing to rezone the eastern one-third of the property and revoke a portion of the existing Planned Development Designation as identified in order to bring conformity to the zoning and future development of the proposed lot. Revocation of that portion of the Planned Development Designation that includes the subject property and amending the Comprehensive Plan as proposed will bring conformity to the lot's zoning and the future identified land use(s) for the property.

The South Robbinsdale Neighborhood Future Land Use Plan identifies the appropriate land use for the properties located directly north and west of the subject property as General Commercial. The location of this request is a continuation of the general commercial use(s) located adjacent to the subject property. The extension of municipal services to the area and the completion of Catron Boulevard, a significant east-west arterial connection located approximately 1/4 mile south of the subject property, support the extension of general commercial development on the balance of proposed Lot 3. As such, staff recommends that the revocation of a portion of the Planned Development Designation as identified be approved in conjunction with a Comprehensive Plan Amendment.
