Marcia Elkins,
Rapid City Planning Department

Thank you for the opportunity to meet today with some of your staff, the Future Land Use Committee, and the developers regarding our concerns about planned developments in the area south of Minnesota Street and west of Maple Avenue. Your suggestion was that the PRD designation be changed to a PDD designation and that the other actions proceed as planned. It was the consensus of the group that these combined actions would address our concerns without placing undue constraints on the developers; thus, we support this proposal.

Thanks again,

Dan Driscoll
