RE: Referendum Petitions on AOB Ordinance

FOR PUBLIC DISTRIBUTION

On November 26, 2002, the Finance Office and the City Attorney's Office completed their review of the petitions submitted seeking to refer Ordinance No. 3856 (the AOB ordinance). The petitions contained the requisite number of signatures, and the format of the petition complies with applicable state laws. **Consequently, the implementation of the AOB ordinance is suspended until an election is held.**

State law requires that Mr. Preston inform the Council of the submission and validation of the petitions at the next council meeting. At that time, the Council must make the decision whether to have the matter voted on at a special election or the next regular election.
