Subject: Notice of Appeal

Mr. Jeff Marino
Planning Department
Rapid City, SD

Mr. Marino:

This message is to serve as Northcott Company's notice of appeal of the Planning Commission decision on March 6, 2003 regarding No. 03UR001 – Conditional Use Permit to allow an On-Sale Liquor Establishment at the Perkins Restaurant – 1715 North LaCrosse Street.

My staff still has the mailing information for the letters that need to be sent to the surrounding property owners. Please fax or e-mail the letter to my attention and we will get the letters out.

Do we need to do anything else? Will you take care of the notice to appear in the newspaper?

It is my understanding this matter would be scheduled for the April 4th City Council meeting.

We will let you know early next week if we want to ask for the appeal of No. 03UR002 to be continued from the March 17th Council meeting to the April 4th meeting.
