

To R.C. Council: On File # 03FV003

In regards to the 6' fence at 2128 Brick Ave,
Lot 18 - Blk 4 - Robbinsdale Subdivision:

I live at 510 E. Meade - Lot 17 - Blk 4 -
Robbinsdale Subdivision.

I have no objection to the 6' fence,
especially since they have a large dog.
When the previous owners of 2128 Brick Ave
put in the fence - my main objection was
that they put all of the posts & braces on
my side, and some of the posts are already
leaning - however I have visited with Ms.
Chandha Deranen, and she agreed to straighten
& re-enforce the posts - so we will work
that out.

Since her back yard is adjacent to my
front yard - her storage shed does detract
from my front yard. Hopefully something can
be worked out on that, too.

Sincerely,

Florence R. Johnson
