

MODIFICATION NO. 1
to
FEDERAL FINANCIAL ASSISTANCE AWARD LF043003-03
between
USDA FOREST SERVICE, BLACK HILLS NATIONAL FOREST
and
RAPID CITY DEPARTMENT OF FIRE AND EMERGENCY SERVICES

This MODIFICATION, is hereby entered into by and between the USDA Forest Service, Black Hills National Forest, hereinafter referred to as the Forest Service, and the Rapid City Department of Fire and Emergency Services, hereinafter referred to as the Cooperator, as specified under the provisions of Federal Financial Assistance Grant #01-DG-11020300-037, executed on September 3, 2001.

The purpose of this modification is to change the grant award from "open-ended" to "entire". This grant should have been executed as an "entire" grant. An "entire grant covers a single, specific project, identifies the work to be done and specifies the share of costs to be borne by each party as a percentage of total costs with a total dollar maximum. An "open ended" grant usually covers a situation when an application is awarded for a long-term project (not more than 5 years), but for which the Forest Service has available only the first year (or other period) of funding.

This grant is for a single, specific project; therefore is being modified as an "entire" grant. Because this is an entire grant some of the clauses do not apply. The following clauses will be deleted, Clause #7 - Availability of Funds and Clause #11 - Extension of Performance Period and the following will be added:

13. TERMINATION. Any of the parties, in writing, may terminate the instrument in whole, or in part, at any time before the date of expiration.

Except as set forth above, all other terms and conditions of the Grant shall remain the same, unchanged, and in full force and effect.

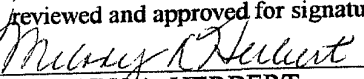

IN WITNESS WHEREOF, the parties hereto have executed this agreement as of the last written date below.
