No. 03CA009 - Amendment to the Comprehensive Plan by revising the South Robbinsdale Neighborhood Area Future Land Use Plan to change the land use designation on a 5 acre parcel from Light Industrial to General Commercial

ITEM 38

Neighborhood Area Future Land Use Plan identifies the subject property as appropriate for Light Industrial land use(s). The properties to the south and east have been identified in the South Robbinsdale Neighborhood Area Future Land Use Plan as appropriate for Light Industrial land use(s). The properties to the north and west are identified in the Land Use Plan as appropriate for General Commercial land use(s). This amendment would change the South Robbinsdale Neighborhood Area Future Land Use Plan from Light Industrial land use to General Commercial land use.

STAFF REVIEW: The adopted Comprehensive Plan is a framework within which development and rezoning proposals are measured and evaluated. The plan is intended to guide the orderly growth of the community. In order for the plans to remain viable and to keep pace with a changing market place, periodic adjustments to reflect changing conditions will be required.

The property is zoned Light Industrial by Pennington County. The properties to the north and west are zoned General Commercial by Pennington County. The property to the south and east is zoned Light Industrial by Pennington County.

In the future, the extension of Fifth Street will be located adjacent and west of this property. General Commercial land use(s) are located adjacent and west of the proposed extension of Fifth Street.

The Future Land Use Committee met with the applicant on May 1, 2003 to review the applicant's request. The recommendation of the Future Land Use Committee is to approve the Amendment to the Comprehensive Plan by amending the South Robbinsdale Neighborhood Future Land Use Plan to change the land use from Light Industrial to General Commercial.

Based on the fact that the subject property is located adjacent to property zoned General Commercial District by Pennington County, located adjacent to the proposed extension of Fifth Street and located adjacent to property identified on the South Robbinsdale Neighborhood Future Land Use Plan as General Commercial land use(s), Staff believes that General Commercial land use is appropriate for this parcel.

Staff notes that Comprehensive Plan Amendments do not require direct notification of neighboring property owners; however, South Dakota Codified Law requires that plan amendments be advertised in a local newspaper. The notification requirement has been met. As a courtesy, interested property owners in the South Hill Subdivision neighborhood have been notified.
