No. 03SV030 - Variance to the Subdivision Regulations to waive the requirement to install sidewalks on one side of the street as per Chapter 16.16 of the Rapid City Municipal Code

ITEM 23

RECOMMENDATION:

Staff recommends that the Variance to the Subdivision Regulations to waive the requirement to install sidewalks on one side of the street as per Chapter 16.16 of the Rapid City Municipal Code be approved.

GENERAL COMMENTS:

The applicant has submitted a Variance to the Subdivision Regulations to allow sidewalks along one side of the street. In addition, the applicant has submitted a Layout Plat to subdivide the subject property into 33 townhome lots. (See companion item #03PL082.)

The property is located east of the intersection of Heidiway Lane and Sheridan Lake Road and is a part of the Fairway Hills Planned Residential Development. Currently, the property is void of any structural development.

STAFF REVIEW:

Staff has reviewed the Variance to the Subdivision Regulations and has noted the following considerations:

Fairway Hills Planned Residential Development: As previously indicated, the subject property is located within the Fairway Hills Planned Residential Development. The City has granted similar requests to allow a sidewalk on one side of the street within the Fairway Hills Planned Residential Development. Staff has reviewed the proposed sidewalk location(s) and has noted that pedestrian traffic is being adequately addressed with the proposed sidewalk location(s). As such, staff is recommending that the Variance to the Subdivision Regulations to allow sidewalks on one side of the street be approved.

Legal Notification Requirement: As of this writing, the receipts from the certified mailings have not been returned. Staff will notify the Planning Commission at the August 21, 2003 Planning Commission meeting if this requirement has not been met. Staff has not received any calls or inquiries regarding this proposal.
