# ISO Mitigation Online

Your source for up-to-date information on community mitigation efforts in America — sponsored by Insurance Services Office, Inc.

ISO is pleased to announce a new website — ISO Mitigation Online — at [www.isomitigation.com](http://www.isomitigation.com). Here, firefighters, building code officials, community leaders, and other interested citizens can access a wealth of data describing how cities and towns are protecting residents from natural hazards. You'll learn about:

- ISO's Public Protection Classification (PPC™) Program
- ISO's Building Code Effectiveness Grading Schedule (BCEGS)

The website provides important background information and insights about the PPC and BCEGS grading processes. Visitors to the site can download information and also contact ISO for assistance.

And for more information about ISO, visit us at [www.iso.com](http://www.iso.com) or call 1-800-444-4554.

The screenshot shows the ISO Mitigation Online website. On the left is a red navigation menu with links: Home, Mitigation News, ISO's PPC Program, ISO's BCEGS, Order PPC and BCEGS Documents, and Request E-mail Update Service. The main content area features the ISO logo, the title 'Mitigation Online', and a welcome message: 'Welcome to ISO Mitigation Online — your source for up-to-date information on community mitigation efforts in America — sponsored by Insurance Services Office, Inc.' Below this is a photo of a fire truck. The main text reads: 'Here, firefighters, building-code officials, community leaders, and other interested citizens can access a wealth of data describing how cities and towns are protecting residents from natural hazards. In this website you can learn about:' followed by two bullet points: 'ISO's Public Protection Classification (PPC) Program' and 'ISO's Building Code Effectiveness Grading Schedule (BCEGS)'. At the bottom, it says: 'You can also order documents that explain — and help you update — your own community's PPC code and BCEGS grading. Follow the links to:' followed by two bullet points: 'Order PPC and BCEGS documents' and 'Request free e-mail update service'.
