**No. 03CA035 - Amendment to the Comprehensive Plan to change the future land use designation on a 4.04 acre parcel of land General Commercial with a Planned Commercial Development to Office Commercial with a Planned Commercial Development**

---

**ITEM 28**

RECOMMENDATION: The Future Land Use Committee recommends that the Amendment to the Comprehensive Plan to change the future land use designation on a 4.04 acre parcel of land General Commercial with a Planned Commercial Development to Office Commercial with a Planned Commercial Development be approved.

GENERAL COMMENTS: This property is located south of Catron Boulevard and east of U.S. Highway 16. The subject property is currently in a No Use Zoning District. Property located south of the subject property is zoned Low Density Residential District with a Planned Development Designation. The properties located north and east of the subject property are zoned No Use District. Property located west of the subject property is zoned General Commercial District with a Planned Development Designation. The South Robbinsdale Neighborhood Area Future Land Use indicates the land use for the subject property is appropriate for General Commercial with a Planned Commercial Development. The land use for property located north and east of the subject property is Planned Residential Development with a maximum density of one dwelling unit per acre. The land use for property located west of the subject property is General Commercial with a Planned Commercial Development. The Comprehensive Land Use Plan indicates that the property south of the subject property is appropriate for agricultural land use(s).

STAFF REVIEW: The adopted Comprehensive Plan is a framework within which development and rezoning proposals are measured and evaluated. The plan is intended to guide the orderly growth of the community. In order for the plans to remain viable and to keep pace with a changing market place, periodic adjustments to reflect changing conditions will be required.

The South Robbinsdale Neighborhood Area Future Land Use Plan identifies the land use for the subject property as appropriate for General Commercial with a Planned Commercial Development. The applicant met with the Future Land Use Committee to discuss changing the land use from General Commercial with a Planned Commercial Development to Office Commercial with a Planned Development Designation. The Future Land Use Committee noted that the subject property was adjacent to General Commercial Zoning District to the west and felt the Office Commercial land use(s) would be an appropriate buffer between the general commercial uses to the west and the residential uses to the east. The Future Land Use Committee recommends that the Amendment to the South Robbinsdale Neighborhood Area Future Land Use Plan to change the future land use on a 4.04 acre parcel of land from General Commercial with a Planned Commercial Development land use(s) to Office Commercial with a Planned Commercial Development land use(s) be approved.

As of this writing, the sign has been posted on the property, and the receipts from the certified mailing have been returned. Staff has received three inquiries regarding this request.
