for
CATRON BOULEVARD SEWER EXTENSION
HIGHWAY 79 TO 5TH STREET
PROJECT NO. SS01-1052**

PROJECT DESCRIPTION

The City of Rapid City proposes to construct a trunk Sanitary Sewer Main from Highway 79 to 5th Street. The construction shall include approximately 5,400 lf of 18" Sanitary Sewer Main and surface restoration. This project is an integral part of the 5th Street Extension. It will also eventually carry flows from the Highway 16 lift station. Generally, the proposed route will follow the south right of way line of Catron Boulevard. See the attached map of the proposed route.

The project currently has total budget of \$510,000, including design and construction. Funding for the project has been identified as IDPF and Sewer Enterprise Fund. It is anticipated that design would begin this year (2003) and construction in summer of 2004.
