MEMORANDUM

TO: Legal and Finance Committee

FROM: Teresa Whitney, Air Quality Specialist

DATE: January 15, 2004

RE: Amendment to Rapid City Municipal Code Chapter 8.34.020 (A)

At the Rapid City Area Air Quality Board meeting on January 12, 2004, the Board unanimously recommended approval of the attached amendment to the City Air Quality Ordinance. The area around the Rapid City Regional Airport was recently annexed into the Rapid City corporate limits. As the ordinance currently reads, the area of applicability includes the city limits recently annexed with the airport which is outside the Air Quality Control Zone boundary. At the request of the Air Quality Board, the Air Quality Division staff prepared an ordinance amendment to exclude the area near the airport from the area of applicability of the Air Quality Ordinance.

Air Quality Board Recommendation: Approval of the amendment to Rapid City Municipal Code Chapter 8.34.020 (A) to remove the airport annexation area from the Air Quality Control Zone boundary.
