I, LuAnn Borden, owner and operator of Crazy Cow Treats, am submitting for approval a request for a **2004 mobile concession vending license** to operate a mobile vending truck with the intent to sell prepackaged novelty ice-cream, canned/bottled non-alcoholic beverages, candy and other prepackaged snacks. I also understand that I am only allowed to do business on public streets and that I am not allowed in city operated places such as the softball fields, parks, etc.

Do to this being a new / seasonal business, I currently do not have any proof of insurance at this time. I am in the process of obtaining the appropriate liability insurance for my vehicle and my business. I should have proof of insurance by the first of March and I fully understand that I will be required to show proof of insurance before I can obtain this license.

I have obtained my South Dakota Sales Tax License for the business and it is as follows, # 53-001-000147636T-St-001. Issued to me on 01-22-04.

Most of my business will be done from my truck, however, for parking and administrative purposes my business will be located at my home address at 423 E. New York St. Rapid City, SD 57701. I understand the new city ordinance that was passed about commercial truck parking in residential areas and I have spoke to planning and zoning in regards to this. I was told that do to my truck being well under the size limit I would be permitted to park it at my home address listed above.

I ask that the city grant my request for my mobile vending license, contingent upon me providing proof of insurance. I hope that I have given you all the information that you will need to grant my request and if I have left out any information out that will be needed to approve this license I will be more that happy to supply you with it upon request.

Thank you for your time.

LuAnn Borden
