MEMORANDUM

TO: City Council
Legal and Finance Committee

FROM: Karen Bulman, Planner I

DATE: March 3, 2004

RE: Historic Preservation Commission Grant
Reallocation of Project Funding

The Historic Preservation Commission requests approval of Amendment #1 to State of South Dakota Historical Preservation Allocation Award for Preservation Project #46-03-020. The requested reallocation is to fund the re-survey of the West Boulevard Historic District for the purpose of clarifying the existing district boundaries and contributing/non-contributing status of the structures contained within those boundaries.

The amendment will reallocate the Individual Nomination project grant funding in the amount of \$2,500 to the West Boulevard Historic District survey project. The Individual Nomination project will be eliminated from the 2003-2004 CLG Grant.

Re-verification of the contributing or non-contributing status of the structures contained within the District will permit the proper classification of those structures that have been lost to fire and subsequently reconstructed.

REQUEST: The Rapid City Historic Preservation Commission requests authorization of the Mayor and Finance Office to sign the Amendment #1 to State of South Dakota Historical Preservation Allocation Award Between State Historical Preservation Office, Office of History and Rapid City Historic Preservation Commission Project 46-03-020 in the amount of \$2,500.00 for survey of the West Boulevard Historic District.
