

Pennington County-Rapid City GIS Division

COMMERCIAL USE DATA LICENSING AGREEMENT

Reservation of Ownership

All Pennington County-Rapid City (hereinafter "GIS Division") geographic databases (hereinafter "Data"), whether in hard copy or digital form, are copyrighted, original works. The GIS Division reserves all right of authorship and ownership under United States and international copyright laws in these Data. Any use beyond those described herein, may be a violation of this copyright.

Definitions

For the purposes of this license agreement hereinafter "License":

- A. The Pennington County-Rapid City GIS Information Policy refers to the document adopted by the Rapid City City Council on March 19, 2001 and the Pennington County Board of Commissioners on April 3, 2001 and amended by the Rapid City City Council on October 7, 2002 and the Pennington County Board of Commissioners on October 8, 2002.
- B. "Data" means all information, graphic, database, text, annotation, documentation and materials regardless of the form or format in that it is maintained, in which the GIS Division has authorship or other ownership interest.
- C. A "Custodial Agency" is that entity that is sanctioned or mandated to act as official repository of the Data.
- D. A "Right to Use License" means that the Licensee does not take ownership of the Data, but is permitted to make use of the Data subject to the limitations described by this license.
- E. A "Licensee" is a requester or recipient of Data, regardless of the source from which the Data is received. A Licensee may be an individual or an organization. Notwithstanding, a Licensee may only be a single individual or legal entity such as a corporation or partnership but not a group of entities, such as an affiliation or joint venture.
- F. Static display means that the Data is in hardcopy form or, if in electronic form, in an image format (e.g., BMP, JPEG, or GIF).
- G. A "Transactional Basis" means events, processes, or the exchange of value from goods and services occurring one at a time. A "Non-transactional Basis" refers to events, processes or exchanges that occur in multiples, such as the publication and sale of a book, involving many separate transactions.
- H. "Commercial Use" means the application of Data, whether for profit or nonprofit purposes, as part of other services or work undertaken by the Licensee, which incidentally may involve display or limited transfer of the Data on a Transactional Basis. Examples include display, production, analysis or query for third parties or other external purposes. Commercial Use does not mean publication, reproduction,

and transfer of the data, in whole or in part, on a wholesale, retail or other non-transactional basis.

Grant of License

In consideration of receipt of Data by the Licensee and other value by the GIS Division, the GIS Division is willing to grant a non-exclusive, personal, nontransferable "right to use license" to the requester (hereinafter "License") but only on the condition that the Licensee accept all the terms and conditions of this license. In the event that the Licensee does not agree to these terms, all Data shall be returned immediately to the GIS Division. All rights not specifically granted by this license are reserved by the GIS Division.

Permitted Uses

The licensed data may be used by the Licensee for its sole and exclusive, internal or external use, and not by or for the benefit of any other person or entity, including affiliates or other related groups. In pursuit of this license, the Licensee may:

- A. Use, view, alter, modify, analyze or merge the Data for the Licensee's internal and external purposes, including transfer of the Data to third parties on a Transactional Basis, so long as the Data continues to be subject to this License. In the event of a transfer, the Licensee must ensure that:
 - 1. Credit or attribution is given to the GIS Division and, where appropriate, the custodial agency;
 - 2. The GIS Division's copyright ownership interest and notice is displayed;
 - 3. Notice that use of the Data is limited by license agreement, including disclaimers with the GIS Division; and
- B. Display Data for internal or external purposes so long as:
 - 1. The Data or its images are in the form of a static display;
 - 2. The display or images are transferred only on a Transactional Basis;
 - 3. Credit or attribution is given to the GIS Division and, where appropriate, the custodial agency;
 - 4. The GIS Division's copyright ownership interest and notice are displayed; and
 - 5. Notice that use of the Data is limited by this License agreement, including disclaimers with the GIS Division; and

Prohibited Uses

The Licensee may not:

- A. Sell, copy, gift, lease, sublicense, lend, assign, provide access to or otherwise transfer the Data, in whole or in part, in digital or hardcopy form, to any other party without the express, written consent of the GIS Division.

- B. Obscure or remove the GIS Division's copyright notices, GIS Division or custodial attribution or credit notices, license summaries, liability or disclaimers, or other notices necessary to effectuate perfect the GIS Division's interest.

Warranties

The Data is provided to the Licensee "as is" without warranty or any representation of accuracy, timeliness or completeness. The burden for determining accuracy, completeness, timeliness, merchantability and fitness for or the appropriateness for use rests solely on the Licensee. The GIS Division makes no warranties, express or implied, as to the use of the licensed Data. There are no implied warranties of merchantability or fitness for a particular purpose. The Licensee acknowledges and accepts the limitations of the Data, including the fact that the Data is dynamic and is in a constant state of maintenance, correction and update.

Liabilities

The GIS Division's entire liability and the Licensee's sole and exclusive remedy shall be termination of this License, whereupon the Licensee shall remove all digital versions of the Data from all permanent electronic storage devices, including back-ups and archive copies, from all computers owned, leased or otherwise controlled by the Licensee.

- A. GIS Division. Damages, for which the Licensee may be entitled, if any, shall be limited to any fees or charges Licensee paid the GIS Division for the Data. The GIS Division shall not in any event be liable to the Licensee or third parties for any direct, indirect, special, incidental, exemplary, consequential, or punitive damages arising out of this License or use of the Data, however caused or under any theory of liability. Prohibited damages include but are not limited to lost profits, lost sales, business expenditures, and loss of good will.
- B. Licensee. In the event of a breach or threatened breach of any of the provisions of this License by the Licensee, its agents or employees, the GIS Division shall be entitled to preliminary and permanent injunctive relief to enforce the provisions herein. Notwithstanding, nothing shall preclude the GIS Division from pursuing any action or other remedy, including money damages and attorneys fees, for any breach or threatened breach of this License, all of which will be cumulative.

Term

The Right to Use License granted by this License shall commence upon the Licensee's receipt of the Data and shall continue until such time that:

- A. Licensee elects to cease use of the Data and terminates this License, at which time the Licensee must remove and return all copies of the Data to the GIS Division; or
- B. The GIS Division terminates the License for a breach or threatened breach by Licensee. The parties hereby expressly agree that all provisions of this License that protect the rights of the GIS Division shall remain in full force and effect irrespective of breach or other termination.

Royalty Fees

In consideration of the rights afforded by this Commercial Use License, the Licensee agrees to provide the GIS Division with data including, but not limited to, the location and size of gas lines and related facilities within Pennington County as they are available.

Waiver

Failure or delay of the GIS Division to enforce any right or remedy under this License shall not be construed as an implied waiver, or other waiver of any rights or remedies hereunder in the future.

Entire Agreement/Severability

The parties agree that this License represents the sole and entire agreement of the parties relative to the Data and supercedes any other agreements, understandings, and arrangements of the parties. If any provisions of this License shall be held to be invalid, illegal, or unenforceable by a court or other tribunal of competent jurisdiction, the remaining provisions shall remain in full force and effect.

Governing Law

This License is entered into in Rapid City, South Dakota. In addition, this License will be governed by the laws of the State of South Dakota, without reference to conflicts of law principles. The parties submit to personal jurisdiction in the Seventh Circuit in and for Pennington County, South Dakota and hereby waive the right to a change in venue.

Affirmation

The undersigned Licensee affirms and warrants that it qualifies as a Commercial User and that it will observe the terms of this License. In addition, the Licensee agrees that if its status as a Commercial User changes, that it will execute the appropriate License and pay fees in accord with that license. Failure to do so shall be *prima facie* evidence of a breach of this agreement and cause for termination of the License.
