Title: Introduction to Fire Pump Operations 1st edition  
Author(s): Sturtevant ISBN: 082737366X  
Publisher: Delmar Learning © Year: 1997  
Specific material: various chapter introductions, questions, summaries, figures, and diagrams  
Total pages: 346

For use by:  
Instructor: Niehaus Course title/number: Fire Pump Operations  
Term of use: School Year 2004 Number of users: 128  
School/University/Company: Rapid City Fire Department Education Division

Delmar Learning grants you a nonexclusive, nontransferable, license to use and distribute to End Users for viewing the material listed above, for educational purposes only and upon Rapid City Fire Department Education Division's compliance with the following requirements. These requirements also pertain to end users of this material.

1. Material requested must be listed in this permission letter, and may be revised by Delmar Learning subsequent to the effective date of this agreement.
2. This permission extends only to material that is original to the aforementioned text, not to material that originated elsewhere.
3. Permission is granted only for the use and method of distribution indicated here and does not extend further.

Copy to server, Computer presentation Intranet presentations

Rapid City Fire Department Education Division may not use, sell, rent, reproduce, sublicense, distribute or dispose of the Images and Related Material, in whole or part, to any other person of institution other than as permitted under this Agreement.

4. The initial term will be one (1) year. The Agreement may be renewed for additional one year periods at the discretion of Thomson upon Rapid City Fire Department Education Division's application for renewal. Either party may terminate this Agreement any time by providing written notice to the other.
5. Rapid City Fire Department Education Division shall not remove any copyright notices or proprietary legends contained within the Images/Text/Data, and shall include the following credit line. This credit line must appear on the first page of text selection and with each individual figure or photo:  

From Introduction to Fire Pump Operations 1st edition by Sturtevant. © 1997. Reprinted with permission of Delmar Learning, a division of Thomson Learning: [www.thomsonrights.com](http://www.thomsonrights.com). Fax 800 730-2215.

During the term of this Agreement, Delmar Learning may revise the language in the credit line. For distribution via Intranet or Internet, Rapid City Fire Department Education Division shall incorporate such revisions promptly upon receipt.
6. For distribution on intranet or internet, access to the Rapid City Fire Department Education Division's site must be restricted by password to students enrolled in the course of instruction for which this Agreement has been secured. Rapid City Fire Department Education Division will provide Thomson with the URL and any passwords necessary to access the site for the term of this Agreement for purposes of verifying Rapid City Fire Department Education Division's compliance with the terms of this Agreement.
7. Rapid City Fire Department Education Division acknowledges that the Images/Text/Data are proprietary to Thomson, and Delmar Learning retains all right, title, and interest in and to the them, including, without limitation, all copyrights and other proprietary rights.
  - a. Images may be enlarged or reduced, but may not be altered, revised, modified, or adapted in any way designed to change content without prior written permission of Delmar Learning.
  - b. Delmar Learning hereby licenses the Images/Text/Data to Rapid City Fire Department Education Division on an "AS IS"

basis. Delmar Learning makes no warranties, express or implied, including the accuracy and fitness for a particular purpose. Neither Rapid City Fire Department Education Division nor its employees have any right to make any other representations, warranty or promise with respect to the Delmar Learning Images and Related Materials.

8. In no event shall Thomson be liable for special, incidental, or consequential damages arising from the use or distribution of Thomson Images/Text/Data by Rapid City Fire Department Education Division whether under theory of contract, tort (including negligence), or otherwise.
9. Thomson shall have no obligation to indemnify, defend or hold harmless Rapid City Fire Department Education Division from and against any claim that the Images/Text/Data infringe any third party patent, copyright, or other intellectual property right. Rapid City Fire Department Education Division shall notify Delmar Learning of any such claim.
10. Rapid City Fire Department Education Division shall indemnify, defend and hold Thomson harmless for any and all claims, damages, losses, liabilities, costs and expenses (including reasonable fees of attorneys and other professionals) arising out of or in connection with Rapid City Fire Department Education Division's distribution of Images/Text/Data. Delmar Learning shall promptly notify Rapid City Fire Department Education Division of any such claim and shall provide reasonable cooperation and assistance in connection with such claims.
11. This Agreement shall be binding on the assigns, heirs, and successors of the parties, except that it may not be assigned by any means, including without limitation, operation of law or merger, by Rapid City Fire Department Education Division without the prior written consent of Delmar Learning, which will not be withheld unreasonably.
12. IN NO EVENT WILL THOMSON OR ANY THIRD PARTY SUPPLIERS BE LIABLE FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE PRODUCT OR DOCUMENTATION, even if advised of the possibility of such damages. Specifically, Thomson is not responsible for any costs including, but not limited to, those incurred as a result of lost profits or revenue, loss of use of the computer program, loss of data, the costs of recovering such programs or data, the cost of any substitute program, claims by third parties, or for other similar costs. In no case shall Thomson's liability exceed the amount of the license fee paid. THE WARRANTY AND REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHERS, ORAL OR WRITTEN, EXPRESS OR IMPLIED. Some states do not allow the exclusion or limitation of implied warranties or limitation of liability for incidental or consequential damage, so that the above limitations or exclusion may not apply to you.

This Agreement, including all exhibits attached and any Addenda made effective pursuant to this paragraph, constitutes the entire Agreement between the parties concerning the use and distribution of Images/Text/Data. Any waiver or amendment of any provision of this Agreement shall be effective only if in writing and signed by authorized representatives of both parties.

There is no charge for the use of this material, provided that during the term of this agreement, Sturtevant's Introduction to Fire Pump Operations has been adopted for use in the class indicated herein and all users are required to purchase it.

This license is the entire agreement between Rapid City Fire Department Education Division and Delmar Learning and it shall be interpreted and enforced under California law. Any questions concerning this License Agreement should be directed to Thomson Learning Global Rights Group, 10 Davis Drive, Belmont, CA 94002 USA. E-mail: thomsonrights@thomson.com. Phone: 800 730-2214 Fax: 800 730-2215.

**Please sign this agreement as an authorized signatory for Rapid City Fire Department Education Division, and mail it back to the address above .**
