**May 4, 2004**

**To: Legal and Finance, the Mayor, and Common Council  
Fm: Dave Oyler, Executive Director, Rapid City Club for  
Boys, Inc.**

**Please consider this a formal request that we be allowed  
to plant a garden at the club this summer.**

**We would plant the garden on the south side of the club,  
which is on property owned by the city, but has been  
used exclusively by the Boys Club for the past 28 years.**

**We have several boys interested in this project and it will  
provide them with a new experience. Most of our boys  
come from home situations that involve apartments and  
motel rooms and have never had the opportunity to plant  
a garden.**

**Please refer to the (very crude) map attached as to  
pinpoint the location of our planned garden.**

**We look forward to your response.**

**Thank you for your consideration.**

*When your will includes a bequest to the Rapid City Club for Boys, Inc.,  
it becomes an Eternal Living Memorial  
to your faith in the Boys of Today . . . the Men of Tomorrow.*
