Re: Milwaukee Street
Rapid City, SD

Dear Mr. Johnson:

The DM&E will install two 8-foot plank crossings to match the sidewalks of Milwaukee Street. Our cost will be \$1200. The city will need to extend the culverts and obtain Railroad Protective Insurance for the contract or work performed within the railroad right of way. If the city is agreeable please sign the "Acceptance of Terms" below and return to my attention.

Please contact me at (605) 782-1551 if you have any questions.

Sincerely,

"ACCEPTANCE OF TERMS"

Tim Carlson
