August 24, 2004

Board Members:

We would like to submit our request that Mulligan Mile end in a cul-de-sac and that sidewalks not be required within our development. I would hope that council will consider a waiver of these items by homeowners requests. We feel strongly that for our community these are appropriate recommendations.
Thank you for your time and consideration.

DEAR SIRs:

IN REGARD TO THE PETITION FOR A VARIANCE TO THE SUBDIVISION
REGULATIONS TO WAIVE THE REQUIREMENT TO INSTALL SIDEWALKS IN
OUR AREA AND THE CULDESAC ISSUE FOR MULLIGAN MILE. BOTH OF
US AS DO ALMOST EVERYONE IN THE AREA FEEL IT NOT NECESSARY
FOR SIDEWALKS, THIS IS A QUIET NEIGHBORHOOD WITH VERY LITTLE
TRAFFIC, WE ENJOY IT AS IT IS. NEITHER DO WE FEEL THAT HAVING
A ROAD CONECTING MULLIGAN MILE EXTENDED TO THE CAMPGROUND
AREA WOULD BE WISE. WE LIVE AT
23686 DOGLEG DR
1S 07E SEC 12 VILLAGE ON THE GREEN #2 SUB LOT 2R
THIS IS OUR HOME.
PLEASE HELP US ON THIS MATTER, WE FEEL VERY STRONGLY ABOUT IT.

SINCERELY YOURS,

LELAND & DOROTHY SCHEMPP
