Roy Burr Named SDLA Trustee of the Year

The Rapid City Public Library is pleased to announce the selection of Library Board President Roy Burr as the South Dakota Library Association's Trustee of the Year. This honor is presented yearly to a trustee of a public library who has contributed by leadership, work, ideas, community relations or other ways to a significant betterment of library services in that community.

During his term of service as a board member of the Rapid City Public Library, Mr. Burr has been a tireless advocate for library services. Mr. Burr was integral to the award of 2012 funds and the subsequent completion of the library's building expansion project. He also was key to the negotiation of a five year contract to provide library services to Pennington Co. residents. The Rapid City Public Library congratulates Mr. Burr's statewide recognition by the South Dakota Library Association and thanks him for his years of dedicated civic leadership.
