**RE: Project # 04-1362, Van Buren Street and Utilities Reconstruction  
CIP Project #50149**

Request for Council to Authorize Selection of Consultant Services for the Van Buren Street and Utilities Reconstruction Project.

The City of Rapid City proposes to re-construct a portion of Van Buren Street from Milwaukee Street to LaCrosse Street. The work will include construction of new water main and service lines, new sewer main and sewer services, new storm sewer main and inlets, new curb and gutter and street paving, and new sidewalk and driveway where necessary.  
See attached map.

This project shall be coordinated with the Milwaukee Street sewer construction project, CIP #50337 and constructed in 2006.

The project currently has total budget of \$ 445,000.000, including design, construction and property easement and right-of-way acquisition, if necessary. Funding for the project is from the 8910 Streets Fund, the 8911 Drainage Fund and the 933 Water Enterprises Fund.

If you have any questions, please feel free to contact me.

Sincerely,

CITY OF RAPID CITY
