RECOMMENDATION:

Staff recommends that the Layout Plat be continued to the May 26, 2005 Planning Commission meeting at the applicant's request.

GENERAL COMMENTS:

The applicant has submitted a Layout Plat to subdivide the subject property into 36 townhome lots. In addition, the applicant has submitted a Rezoning request to change the zoning designation of the subject property from General Commercial District to Low Density Residential District II. The applicant has also submitted a Comprehensive Plan Amendment

to change the future land use designation of the subject property from General Commercial with a Planned Commercial Development to Low Density Residential District II with a Planned Residential District. (See companion items 05RZ034 and 05CA022.)

The property is located in the northwest corner of the Bendt Drive/Catron Boulevard intersection and is currently void of any structural development.

STAFF REVIEW:

The applicant's site plan identifies that the proposed townhome development will consist of two-two unit townhomes, seven-three unit townhomes and two-four unit townhomes. However, the Low Density Residential II District does not allow more than 30 percent of the townhomes as multi-family units with more than two connected units or in this instance, ten units. It does not appear that the minimum 4,000 square foot lot size can be provided for each individual lot as required by Ordinance. As such, the applicant is requesting that all three items be continued to the May 26, 2005 Planning Commission meeting to allow the applicant to revise the Layout Plat and/or revise the Rezoning and Comprehensive Plan Amendment requests to comply with the multi-family townhome development requirements of the Rapid City Municipal Code.

Staff is recommending that the Layout Plat be continued to the May 26, 2005 Planning Commission meeting as requested by the applicant.
