(This staff report was modified on June 27, 2005. All revised information is shown in bold.) This item was continued at the June 9, 2005 Planning Commission meeting to allow it to be heard in conjunction with the associated annexation and Preliminary Plat request. Staff noted that the annexation request and Preliminary Plat are being recommended to be continued to the July 21, 2005 Planning Commission meeting. The subject property is located northeast of the Rapid City limits off Haines Avenue near the Mallridge and Northbrook Village Subdivisions located northwest of the intersection of West Nike Road and Viking Drive. Currently there are no structures on the property. The proposed development is Phase I of the Brookfield Subdivision. On April 4, 2005, the City Council approved a Layout Plat (05PL035) for the subject property. The applicant is requesting a Variance to the Subdivision Regulations to allow lots twice as long as they are wide and to waive the requirement to install sidewalk on Cobalt Drive and to waive the requirement to install street light conduit on Cobalt Drive, Adonia Lane, Wisteria Court and Three Rivers Drive. The applicant has submitted a Variance to the Subdivision Regulations to subdivide approximately 15 acres into 56 residential lots. The applicant has also submitted a Preliminary Plat (05PL090) application to subdivide the subject property into 56 residential lots.

STAFF REVIEW: Staff has reviewed the Variance to the Subdivision Regulations and has noted the following considerations:

The subject property is located adjacent to the City limits of the City of Rapid City. As such, the property must be annexed into the City limits. As of this writing, the applicant has not submitted a petition to annex the subject property into the City of Rapid City. As such, staff is recommending that the associated Preliminary Plat be continued to the July 7, 2005
