Dear Sir:

This letter is to let your dept be aware of my thoughts in reference to Tracy Parris's request for a comprehensive plan amendment file # 05ca023 and rezoning request file # 05rz038. I own and live on lots 10 and 11 of Tittle Springs which is across the creek from Mr. Parris's property. I would like to strongly encourage your department to approve Mr. Parris's requests. I believe it will be good for our area and Rapid City in general as any improvements will only help.

Sincerely,

John M Kreber
