### MEMORANDUM

TO: Planning Commission

FROM: Marcia Elkins, Growth Management Director

DATE: July 26, 2005

RE: **No. 05TP009 – Approval of the Final 2006-2010 Transportation Improvement Program.**

Each year the Rapid City Area Metropolitan Planning Organization is required to develop the Transportation Improvement Program (TIP). This is a five year priority list and financial plan for highway, transit and intermodal projects. The TIP is intended to serve as a fiscal management tool to assist state and local agencies in matching transportation needs with resources.

The TIP development, review, and approval process includes participation from affected public agencies, citizen's groups, private transportation providers and representatives from various transportation entities. Attached is a copy of the Final 2006-2010 Rapid City Area Transportation Improvement Program.

**Staff Recommendation:** Staff recommends that the Planning Commission approve the attached Final 2006-2010 Rapid City Area Transportation Improvement Program.
