

## Petition To Halt Liquor License:

We the undersigned are against Tablestakes Bar & Grill getting a liquor license. This business is going in on E. St. Francis St. on the corner of E. St. Francis and E. St. Joseph St. That location has had a liquor license in the past and it has resulted in multiple problems for the neighborhood. Some of these problems are broken glass thrown into yards, patrons of the business screeching through the neighborhood driving wreckless from early evening till 1:00 AM – 2:30 AM, cursing and yelling at all hours of the night, misc. trash thrown all over the neighborhood and many other such problems.

We are a very small, close neighborhood with many children and animals.

**The VERY LAST thing we need in this quiet little neighborhood is a bar.**

**Please protect our children and animals by stopping this business from getting their liquor license. It is for the good of all.**
