RE: East North Street Extension – Additional work for IM-P90-2(134)59 & P2016(13)71

Plat Acceptance / Resolution from City of Rapid City

Dear Marsha,

Attached is the plat for the extension of East North Street as well as a copy of the deed that we will get signed. I've also included the preliminary plans for this work which will be added to the present contract noted above. A resolution from the City of Rapid City, authorizing the SDDOT to acquire this land in the name of the City, is needed. Please send the resolution to our office and we will pursue getting a deed signed by the landowner, FLMC, Inc., at that point acquiring the land in the name of the City.

Thank you for your help in this matter. If you have any questions, please feel free to call.

Sincerely,

Tammy D. Williams, PE
