I, Kathryn Wagner Douglas, owner and operator of K & M Creams, am submitting for approval for a 2006 Mobile Vending Concession license to operate a mobile vending truck with the intent to sell prepackaged novelty ice cream, canned and bottled nonalcoholic beverages, candy and other prepackaged snacks.

I fully understand that I will be required to show proof of insurance before I can obtain this license.

I have obtained my South Dakota Sales Tax license for the business and it is as follows, 53-001-000152043T-ST-001, issued to me on 09/14/04, and is still in effect today.

I ask that the Rapid City Council grant my request for my mobile vending license, contingent upon me providing proof of insurance.

I hope that I have given you all the information that you will need to grant my request and if I have left any information out that will be needed to approve this license I will be more than happy to supply you with it upon request.

Thank you for your time,
