SUBJECT: New road name- South Dakota School of Mines and Technology

Mr. Timothy Henderson, Vice President of Business and Administration at the South Dakota School of Mines and Technology and Ms. Terri Haverly of the Rapid City Area Economic Development Foundation have requested new road names be approved within the School of Mines campus. The five road names are Technology Court, Tech Access Road, Hardrocker Road, Stadium Lane and University Loop.

The reason for the request is to provide addressing per the city grid system for new buildings constructed on campus. The roads on campus have not been officially named. Some of the proposed road names are currently posted on the property.

Staff recommends that the School of Mines places a street name sign at both ends of University Loop and Hardrocker Road. Technology Court, Tech Access Road and Stadium Lane are posted correctly.

Also, the proposed names have been reviewed and approved by emergency services staff.

RECOMMENDATION: Staff recommends the road names Technology Court, Hardrocker Road, Stadium Lane Tech Access Road and University Loop be approved.
