RE: Request permission to seek Consultant Services for 2006 (Citywide)
Geotechnical Investigations and 2006 (Citywide) Materials Testing contracts.

The City of Rapid City proposes to seek consultant services for 2006 Geotechnical Investigations for those projects planned for construction in 2006 and 2007 by the City of Rapid City. This project has a budget of \$30,000.00 and will sunset on December 31, 2006. The Geotechnical Investigation project is required to provide information necessary for design purposes.

The City of Rapid City also proposes to seek geotechnical consultant services for 2006 Materials Investigations of work performed in 2006 by forces other than the City of Rapid City. This project also has a budget of \$30,000.00 and will sunset on December 31, 2006. The Materials Testing project is required to provide data for Quality Assurance/Quality Control for recently constructed infrastructure.

Respectfully,
