

Suggested Modification to the definition of “substantial completion” in the Rapid City Standard Specifications 2004 Edition:

AH. "Substantial Completion" shall mean: a) the Contractor is prosecuting the remaining work in a manner satisfactory to the Engineer; b) the project is or could be used for the purposes intended; and c) ~~pedestrian or vehicular~~ traffic will not be inconvenienced by prosecution of the remaining work; d) sidewalks that the subdivider/developer are responsible for under Chapter 16 of the Rapid City Municipal Code are installed; e) sidewalks that are required under a City contract have been installed.
